

In an effort to close the achievement gap, Reading BrightStart! The Complete Program for Early Literacy Success: Level One was developed to individualize early literacy instruction during the preschool years. This interactive training explores the developmentally appropriate instructional practices and effective teaching strategies that move diverse young learners toward reading readiness. The completion of the course will support educators as they adopt the instructional practices of the Reading BrightStart! program. Each graduate of this course will have the skills needed to implement with success, ensure program fidelity, and evaluate student outcomes within their classroom.

The outcomes of this session are met through a combination of face-to-face* lecture, interactive demonstration, and small group assignments. Upon completion, participants will:

- Possess a basic knowledge and understanding of the Reading BrightStart!, Complete Program for Early Literacy Success: Level One, and how to implement the curriculum with success in their classroom,
- **x** Identify research-based

Day One will examine and explore the foundational literacy skills and educational elements that make up the foundation of Reading BrightStart! The Complete Program for Early Literacy Success: Level One curriculum. To ensure educators will effectively incorporate early literacy into daily instruction, participants will learn to support the acquisition of these concepts. After completing this session, participants will be able to:

- Recognize the effective, research-based, and developmentally appropriate critical elements in the framework of the RBS! instructional program,
- Understand the research findings and statistics that support the instructional practices recommended for the RBS! program,
- Deliver supportive dialogue and multisensory instructional strategies using kit materials,
- Determine when and how to make modifications to lesson delivery and,
- Understand common delivery challenges and provided areas of support.

This session will effectively and efficiently guide participants through the implementation and evaluation process. To ensure the sustainability of Reading BrightStart! The Complete Program for Early Literacy Success: Level One, participants will examine customized options for scheduling instruction across multiple settings and diverse classrooms. In addition, data collection procedures to assess child outcomes will be presented. After completing this session, participants will be able to:

-
